

LOCAL #67 ON-DUTY APPAREL

Local 67 is now offering apparel that can be worn on-duty in compliance with the Collective Bargaining Agreement. The apparel will have the embroidered Columbus Fire Fighters Union logo on the Left Breast and the Rank and Name on the Right Breast. Colors of logo and name will be consistent with the schemes used on uniform wear. We have found a union-made "job shirt" that will meet the needs of the membership and have offered it as well. All of the items are of the highest quality and very durable.
